

**AVERAGE ANNUAL SAVINGS OVER \$4000**

SAFELY OPENS ACCESS  
COVERS LIKE A DOOR

**AVERAGE ANNUAL SAVINGS RESULTING FROM THE USE OF THE UNIVERSAL HINGE Brand HINGE:**

**LABOR SAVINGS: \$2,100**

**REDUCTION IN LIABILITY EXPOSURE \$1,148**

**REDUCTION IN PLANT DOWN TIME or OTHER TOOLS REQUIRED FOR COVER REMOVAL \$800**

**TOTAL AVGERAGE ANNUAL SAVINGS \$4,048**

**CUSTOMER COMMENTS:**

"The service company charges over \$3,800 to remove and reinstall our covers for annual tube cleaning. If we purchase your hinge one time we never have to pay them for removal & reinstallation again." Facilities Manager, Major Medical Center

"The cost to send a man to the emergency room is far in excess of the cost of your product. If we avoid just one injury we've paid for the cost of your product." Director of Facilities, Major State University

"We've spent more than the cost of your hinge to fabricate and certify a frame to remove our cover and we don't end up with a solution as good as yours." Maintenance Manager, Major Pharmaceutical Co.

**Other Potential Savings Include:**  
Energy Savings due to more frequent tube cleaning.  
In many cases this savings alone is \$3000 to \$6000 per year.
